

7th Grade Computers – PowerPoint project

Assignment - You are to create a PowerPoint presentation about your favorite movie. You will need at least 6 slides, and are encouraged to use more than 6 if needed.

- Title slide
 - Your name
 - 7th grade computers
- Introduction slide
 - Name of movie
 - Year it was made
- Cast and crew
 - Directed by _____
 - Actors – their names and the roles they play
 - At least 3 main actors
- Plot summary
 - Give a general description of what the movie is about, but don't be a spoiler! Do not tell us too much, or how the movie ends. Tell us just enough about the movie to get us to want to watch it, but not ruin the suspense.
- Pictures.
 - There should be a picture on every slide, however this slide should be reserved all for pictures from the movie.
- Final slide
 - Tell us why you chose this movie as your favorite, and what you like about it.
