

PowerPoint Project Requirements

You are to create an informative PowerPoint about a topic that interests you. Here are the guidelines:

- Choose your topic: This could be a Famous person, Historical Figure, past event (war, etc.)
- You need to find information about your topic from at least 3 CREDIBLE sources
- Read the information and create a presentation about it.
- DO NOT PLAGIARIZE! I will be checking. This includes copying and pasting and “changing the words”.
- PowerPoint should be professional quality using words, transitions, animations, etc. in a way that makes it look professional.
- You are required to have at least **ten** slides including your title slide and bibliography (source) slide.
- Turn this into the exchange drive Monday, December 7, at the end of the period.
- Any time you are caught doing other things on your computer (playing games, looking at cars/trucks/snowmobiles, playing with Google maps, etc.) you will lose points on this assignment.
- This assignment will be a test grade.
