

# Successful Entrepreneur Report

---

## Task

In class we talked about several entrepreneurs who were very successful or have made a significant impact on society. You are to tell me about another one.

## Process

You are to use the internet to research an entrepreneur from the past or present who is successful or has left an impact. You are to then write a one page minimum report about this person. Tell about their life, their business, how they started, etc.

## Paper Requirements

- Minimum 1 full page
- Size 12 Times new roman font
- Double spaced
- One inch margins on all four sides
- Put your name and title in the header so it doesn't take up space on the page
- Include a picture of the person on the second page
